

Spring 2010 Classes

All classes are held at Teague Art Studio in a warm, relaxed environment - enjoy Susan's homemade organic baked goods, teas, French Cocoa, spritzers and comederie with fellow creative spirits! Located in Paw Paw, Michigan. Registration information below, your confirmation will include map/directions.

Composition for Drawing and Painting

Saturday, April 24, 9:30 a.m. – 3:00 p.m.

Cost \$49.00

In this hands-on workshop you will learn how to use line, shape, form, space, size and color to create interesting and well arranged compositions for your drawing and paintings. All materials supplied. Please bring a notebook and lunch.

Brushing Up

Wednesday 1:00 - 3:30 p.m.

5 weeks • March 17 - April 14

\$80 (includes some materials and supplies)

This class is designed for those who wish to further develop their painting skills. Class will explore various techniques and styles used in realistic painting with emphasis placed on exploring and strengthening individual styles. Topics for class discussion include demonstrations, composition, value ranges, color and light, with short painting studies which may be completed in class or at home. Bring your painting materials and a photo of your chosen subject with you to the first class.

Expressive Drawing

Tuesday 6:30 p.m -8:30 p.m.

5 weeks • March 16 - April 13

\$80 (includes some materials and supplies)

Explore the joy of drawing in a relaxed and encouraging atmosphere. This class is designed for those who want to hone their drawing skills, develop and expand their own unique expressive style. Students may choose to bring graphite pencils, ink, pen, conte, marker, and/or charcoal. Bring to the first class a drawing pad, eraser, a set of pencils.

The Art of The Six Senses

Tuesday 6:30 - 8:30 p.m. April 20 - May 25

\$90 (includes all materials and supplies)

This class provides an opportunity for people to embrace their fun, creative side using ALL the senses. These creative practices can expand one's sensory awareness, creative and problem-solving abilities, math skills, perceptual awareness, intuition, and promote healing through opening creative pathways (in other words; move out the "sludge" so the fountain of joy and well-being can flow). Students will participate in guided imagery and fun impromptu creative expression. Playful classes will include individual, collective and collaborative creativity with music, drawing, writing, movement and story-telling. Bring to your first class and open and willing spirit, everything else is provided!
